V 0.2.May 19, 2025

I'm after the cheatsheet title but you may use the zinput command to include other files

1 chapter 1

hellooo I'm chapter 1 and u can write anything here

1.1 section 1.1

hellooo I'm subsection 1.1 and u can write anything here or maybe you don't want to write anything here

2 chapter 2

hellooo I'm chapter 2 and u can write anything here

2.1 section 2.1

hellooo I'm subsection 2.1 and u can write anything here or maybe you don't want to write anything here
